Class Details

Equipment

- Everyone needs to bring their own yoga mat (if you are a beginner and wish to try out yoga classes before purchasing a mat, I can provide a mat for your first few classes).
- Please could I encourage everyone who is now coming to Iyengar Yoga classes regularly, including those of you that have been coming to my classes for over a term, to buy your own yoga equipment (I recommend www.yogamatters.com).

Clothing

- Please wear anything comfortable, such as a T-shirt and shorts or leggings, loose trousers and a top. You will not need footwear or socks once you are in the class as yoga is done with bare feet.

Remember

- Not to eat before the class (big meal: 4 hours, snack: 1.5 hours before).
- To inform the teacher of any medical conditions (if they are not already stated on your Health Declaration).
